

13 CANDIDATES IN NORWICH!

FREE THE HEMP/
CANNABIS PLANT

Council Elections-Thursaday June 10th

We believe that the re-Legalisation & re-Introduction of the Hemp / Marijuana crop into our society, would be for the benefit of the people, the Enviroment & the Planet.

Now 'U' Have a Real Choice!

Some of the Local/National benifits.

All vehicles,both Public & Private could run on Cleaner,Cheaper,Eco-friendly Renewable Hemp Biofuel !!

Citizens who use Natural Marijuana/Cannabis Preparations + Medical/Social/Personal use could be able to grow their own plants-Thereby breaking the link with 'Dealers' in Hard Drugs!

Natural 'THC' Medications could be provided for sufferers of MS & numerous other Ailments by GP's & the NHS.
